

CABLE MANAGEMENT SOLUTIONS

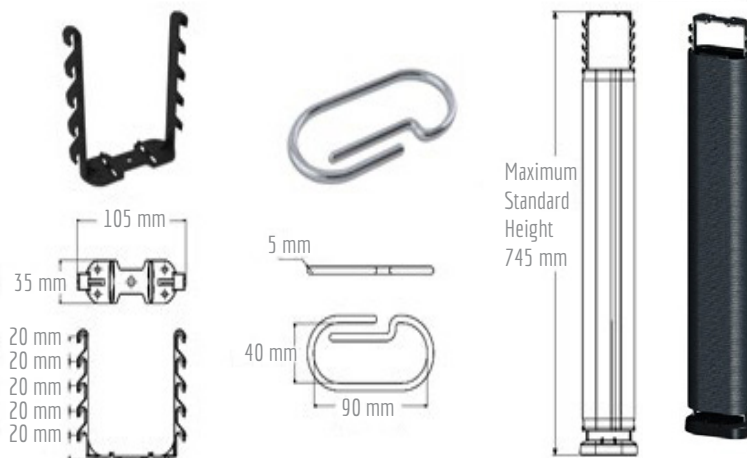

Manage and organize your cables in all areas of your workspace.

Cable Net

CABM0969BK

Cable Net conceals and organizes cables from desk to floor. Top mount allows for varying desk heights. Weighted base with soft neoprene underside adds grip and protects polished floors. Integral cable tie loops on the base and top mount allows cables to be secured. Available in Black and Gray*.

* special order basis.

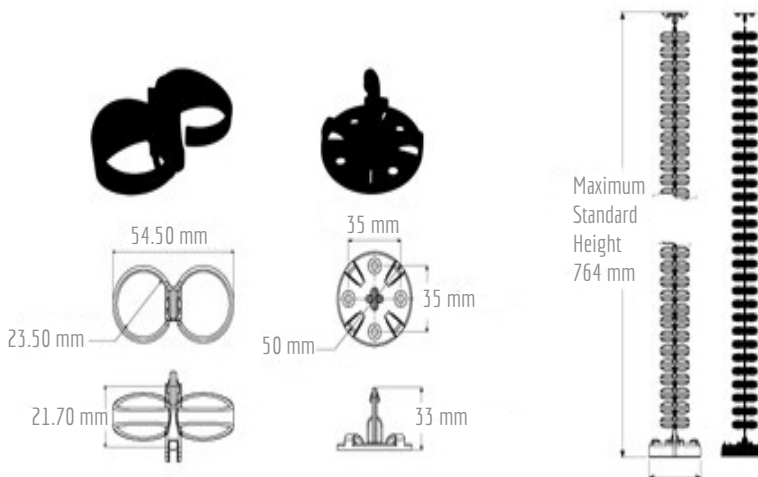

Cable Spine

CABM05BK

Injection moulded links form a flexible chain to route the cables. Hinged design allows use with height adjustable desks. Cable applicator tool rapidly threads cables through the spine. Weighted base with soft neoprene underside adds grip and protects polished floors. Integral cable tie loops on the base and top mount allow cables to be secured. Available in Black and Gray*.

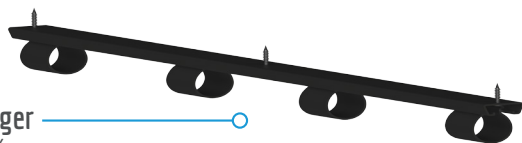

* special order basis.

Cable Hanger

CABM070BK

The Cable Hanger is a solution for all under the work surface horizontal cable management needs. Available in Black.
